

RIGGLER

MOUTH-NOSE-MASK
MADE TO LOOK GOOD
AND STAY SAFE

PLEASE NOTE

- Wash the mask before the first use
- Wash the mask at 60° Celsius after each use
- No certification – not medically or otherwise tested
- No medical device and no personal protective equipment
- Mask offers no protection for the wearer
- The mask is intended for daily use by individuals who have occasional contact with third parties.

This is why we offer you this type of fabric mask, in order to protect you, your collaborators, your customers, and more globally all your entourage.

Disclaimer: This mouth and nose mask cannot replace a certified medical mask such as a surgical mask or FFP2 certified mask. It is a contingency solution (backup plan) for anyone who has not been able to obtain appropriate protection in stores and it helps to reduce the risk of further spreading the virus. A medical mask remains the best way to protect yourself.
